

_____ HOSPITAL

PHARMACY SERVICES CONTRACT

THIS AGREEMENT, made and entered into this _____ day of _____, by and between _____ HOSPITAL, (herein after referred to as "Hospital"), and _____, (herein after referred to as "Pharmacist"):

WHEREAS, Pharmacist is duly qualified as a registered pharmacist, and

WHEREAS, Hospital and Pharmacist are desirous of providing a full statement of their respective rights, obligations and duties in connection with the operation of the Hospital's Pharmacy Department during the term of this Agreement,

NOW, THEREFORE, for and in consideration of the premises and of the mutual covenants and agreements herein contained, the parties hereto agree as follows:

1. The Pharmacist will make daily trips to the hospital during the week to control and dispense pharmaceuticals in accordance with State Board of Pharmacy rules.
2. The Pharmacist will maintain responsibility for issuing drugs, chemicals, pharmaceuticals; filling and labeling drug containers issued to other hospital departments; inspecting all drugs and pharmaceuticals in all hospital departments; maintaining the approved stock of drugs; issuing all narcotic drugs and alcohol and maintaining a perpetual inventory of them; maintaining records which are required legally; supervising the maintenance of the facilities of the pharmacy; maintaining current information on state and federal laws pertaining to drugs and drug handling and keeping hospital administration properly informed.
3. The Pharmacist will furnish information concerning medications to physicians and nurses.
4. The Pharmacist will participate in formulating pharmacy policies and carrying them out in accordance with the established policies of the hospital.
5. The Pharmacist will cooperate in inservice programs relating to the pharmacy.
6. The Pharmacist will implement the recommendations of the Pharmacy and Therapeutics Committee.
7. The Pharmacist will develop and maintain an updated hospital drug formulary jointly with the medical staff.
